

Winnetka Public School Nursery Registration Form 2016-2017 School Year

Registration Dates

- Registration for the 2016-2017 School Year opens on **October 26, 2015**.
- Registration forms are due by **December 4, 2015 by noon**.
- Families who turn in their registration forms between October 26 and December 4 by noon will receive their class confirmation by **December 11, 2015**. All of these families will be given placement as a group, according to the enrollment priorities (see below).
 - This means that all registration forms received anytime between October 26 and December 4 at noon will be processed together. It does not matter what date in that time window the form is turned in.
- Registration forms received after December 4 at noon will be given placement on a first-come, first-serve basis.
 - This means that forms received after December 4 at noon will be processed if space is available after the first group of forms is processed. Families will be given placement in the order that forms are turned in, so the enrollment priorities do not apply. Therefore, current students, and siblings of current or former students, will not have priority over new students if the form is turned in after December 4 at noon.
