#### Class Description

- Class meets on Fridays from 8:45-10:00 a.m.
- Open to children from 16 to 23 months of age, accompanied by their parent or caregiver
- Class has a with a 1 person teaching team with a maximum of 8 children and a minimum of 4 children

WPSN's **Toddler Explorers** class is designed to provide the older toddler an opportunity to explore, develop, and learn in a safe and developmentally appropriate environment. Guided by experienced early childhood educators, the activities provided are carefully planned so that each child develops trust while their gross motor, fine motor, language, self-help, social, and cognitive skills are challenged. Fun, play-based activities include painting, singing songs, playing games that include large muscle movement, and listening to a story. Toilet training is not required.

Toddler Explorers also provides time to **discuss a child development topic** that is relevant to the adults in the class. Topics may include developmentally appropriate toys, separation anxiety, or what to expect of your child's development over the next year.

Toddler Explorers will be offered in **four sessions** throughout the school year. If a child turns 2 years old during or between sessions, they may continue in the class for the remaining sessions. Parents are welcome to enroll for all sessions for the year or may enroll for one session at a time. Session dates are as follows:

Session	Dates	No Class	Tuition
Session 1	September 22 to October 27, 2017	October 20	\$110
